### Hillsborough County Schedule Change Policy

- Valid reasons for a schedule change** may include: counselor or computer error, failing a required course, passing a course in summer or night school, lacking a grad requirement, and lacking proper prerequisite.
- Elective changes cannot be honored** due to teacher unit allocation.
- Schedule change requests will **not be considered** for the purpose of teacher preference.
- A change request may require the entire schedule to be altered, including teachers and periods.
- Once a schedule has been changed, it cannot be changed back to the original schedule.
- Failure to complete summer reading does not constitute a valid reason for a schedule change.

I am aware of the programs offered to my child at Bloomingdale High School, and I agree with his/her choices as indicated. I have also read and understood the schedule change policy.
