Dear Ms. Ervin,

Further to our phone conversation today, I enclose the application for the scholarship that my chapter of the **Colonial Dames XVII Century Society** offers to seniors in high school, both male and female. Please enter this application onto the matrix which is published for all Hillsborough County High Schools.

I would like to mention that in addition to offering the opportunity for students to vie for the \$1,000.00 State Scholarship, my chapter guarantees a \$300.00 local scholarship from amongst the applications we receive in Hillsborough County. The winner of the local scholarship will then have his/her application forwarded to the State of Florida Level.

I am pleased to say that last year's local winner, **Tylyn Thomas from Lennard High School**, was awarded the state scholarship this year as well! Tylyn attends UCF and has received a total of \$1,300.00 from our organization.

If you have any questions, please contact me. Thank you very much for your help!

Regards,

Kathryn M. Rizzo, Scholarship Chairman,
