

SAT, ACT or BOTH!

Bloomingtondale High School

This session is designed for both parents AND students. Join our experts and learn key differences between the SAT and ACT. Walk away with an idea of which test is best for you or your student. Our experts will help your family determine when to take college entrance tests and develop a timeline for admissions! Registrants of this event will also receive a free online ACT AND SAT test to provide you with an idea of starting scores!
